

# WEST AFRICAN POSTGRADUATE COLLEGE MEDICAL LABORATORY SCIENCE

(WAPCMLS)

(A Statutory Postgraduate College of the ECOWAS)

**CALL FOR APPLICATIONS: 2022-2023 ACADEMIC YEAR**

The Regional Council of the West African Postgraduate College of Medical Laboratory Science (WAPCMLS) announces the commencement of admission and invites applications from interested and suitably qualified candidates for admission into the 4-year postgraduate Fellowship Training programme of College in the following Faculties/specialties:

Currently Available	Not Yet Available
<ul style="list-style-type: none"> <li>• Clinical Chemistry,</li> <li>• Medical Bacteriology,</li> <li>• Haematology,</li> <li>• Blood Transfusion Science,</li> <li>• Molecular Diagnostics/Translational Science,</li> <li>• Medical Virology,</li> <li>• Medical Parasitology &amp; Entomology</li> <li>• Immunology</li> </ul>	<ul style="list-style-type: none"> <li>• Medical Mycology</li> <li>• Toxicology/Therapeutic Drug Monitoring</li> <li>• Histopathology</li> <li>• Cytology</li> <li>• Cytogenetics</li> <li>• Forensic Science</li> <li>• Laboratory Management and Leadership</li> <li>• Laboratory Instrumentation</li> <li>• Veterinary Laboratory Technology</li> <li>• Public Health Laboratory/</li> <li>•</li> <li>• Laboratory Epidemiology</li> <li>• General Medical Laboratory Practice</li> </ul>

## PROGRAMME DETAILS

PROGRAMMES	COURSE STRUCTURE	ACADEMIC REQUIREMENT (Must be a fully registered & licensed Medical Lab Scientist)	MINIMUM POST QUALIFICATION EXPERIENCE REQUIRED
Primary Fellowship (Duration 1 year)	Lectures on the Biology of diseases and analytical tools in their investigation and diagnosis in a chosen specialty & Primary Examination.	BMLS, B.Sc, AIMLS	BMLS/AIMLS 4 YEARS
		MLSD	MLSD 2 YEARS
		M. Sc.	Exemption

Part I Fellowship (Duration 2 years)	Lectures, Practicals and laboratory portfolio / logbook & Part I Examination	Pass in Primary Fellowship Examination or possession of an accredited M.Sc. in relevant Specialty of interest	Must be enrolled in a College Accredited Institution / Hospital
Part II Fellowship (Duration 1 year)	Lectures, practicals and laboratory portfolio / logbook, Part II Examination & Dissertation	Completed Portfolio / Log Book in an accredited Hospital Department	Must be enrolled in a College Accredited Institution / Hospital
Part II Fellowship (Duration 1 year)	Dissertation	Possession of an accredited PhD in relevant Specialty of interest	Must be enrolled in a College Accredited Institution / Hospital

### Approved Training Institutions:

#### Nigeria:

Institution 1: **Federal College of Medical Laboratory Science / Jos University**

**Teaching Hospital, Jos**

**Specialties approved:** Medical Bacteriology, Parasitology/Entomology, Haematology, Blood Transfusion Science, Clinical Chemistry, Immunology, Virology.

Institution 2.

**Federal College of Veterinary & Medical Laboratory Technology, NVRI Vom/ Plateau Specialist Hospital, Jos.**

**Specialties approved:** Medical Bacteriology, Medical Parasitology/Entomology & Medical Virology.

#### Ghana:

Institution 1: **Tamale Teaching Hospital, Tamale, Ghana**

**Specialties approved:** Medical Bacteriology, Parasitology/Entomology, Haematology, Blood Transfusion Science, Clinical Chemistry, Molecular Diagnostics, Virology.

Institution 2: **University for Development Studies, Tamale, Ghana**

**Specialties covered in the MoU:**

Masters and PhD in Clinical Chemistry/Chemical Pathology & Medical Microbiology specialties during the Fellowship training under the College Dual Certification Policy.

#### Application Procedures:

- Pay Application Fee in Applicant's Name.
- Send scanned copy of deposit slip to: [info@wapcmls.org](mailto:info@wapcmls.org)
- Receive Online Application Access
- Code from College - Use code to access and complete Online Application Form at: [www.wapcmls.org](http://www.wapcmls.org)
- Attach scanned copies of the following documents to the Application: Academic certificates, Statement of Interest & Current practising license.

- Print completed online Application Form and attach photocopies of the above documents and post by courier to:

**West African Postgraduate College of Medical Lab Science**  
**26 Lomé Crescent**  
**Wuse Zone 7**  
**Abuja, Nigeria.**

**Application Fees:**

US\$100 Primary

US\$150 Part I

US\$200 Part II

**Bank Details**

**Account name:** West African Postgraduate College of Medical laboratory Science

**Bank:** United Bank for Africa (UBA)

**Acct no.** 3002674433

**Sort Code:** 033083832

**Swift Code:** UNAFNGLA

**Branch Address:** Abuja, Nigeria

**NOTE: APPLICATION DEADLINE IS 6 WEEKS FROM DATE OF THIS ANNOUNCEMENT.**
